

## REVENUE ... *Working For You*

E-file with the Tennessee Department of Revenue.

E-filing provides convenience and peace of mind by performing some or all calculations and ensuring the payment is posted promptly and accurately to your tax account.

Our Web site, [www.Tennessee.gov/revenue](http://www.Tennessee.gov/revenue), offers:

- Electronic filing of the following taxes:

- Sales and use tax
- Consumer use tax
- Individual income tax
- Professional privilege tax
- Franchise and excise tax minimum and estimated payment returns and extensions
- And more coming soon

- Many online business tax registration activities

- Electronic funds transfer (EFT)

- Information about motor fuel electronic data interchange (EDI)

- A list of sales and use tax certified software providers

- Security since all taxpayer data, whether paper or electronic, filed with the department is confidential data protected under Tennessee law

Leave the calculations to us.
